INCLUSIONS

Every 20ft Ready to Roll Container Office includes these premium inclusions as standard.

Fitted along the rear wall, the kitchenette has light oak laminate cabinets and a power point above the bench. Appliances aren't included.

Benchtop	White, 2,178mm wall to wall
Microwave Space	Open cubby with powerpoint
Storage	3 drawers, 3 x Cupboards

The stainless steel sink is set into the kitchenette benchtop and piped to the recessed plumbing point on the rear wall.

Bowl	500mm x 500mm, 205mm deep
Grade	304 stainless steel
Tap	Brushed gooseneck mixer

Hard wearing commercial vinyl covers the floor and is coved up the walls, leaving no gaps at the edges for dirt to collect.

Vinly	2mm homogeneous
Stainless Steel Sink	Fibre cement board
Floor Area	About 12.6m^2

PIR insulated panels help the office hold a steady temperature through summer and winter, so the air conditioner doesn't have to work as hard.

Panels	White, 2,178mm wall to wall
Coverage	Every wall and the ceiling
Ceiling Height	2,557mm

The steel personnel door has an insulated core and a door closer. It locks with a key from outside and opens with a thumb turn from inside.

Clear Opening	820mm x 2,043mm
Keys	3 x unique to each office
Seal	Rubber weather seal

Two double glazed sliding windows, one on each side, let in daylight and fresh air. White diamond security grilles are fixed over both.

Size	1,200mm x 900mm
Glass	5mm toughened, 9mm air gap
Frame	White aluminium

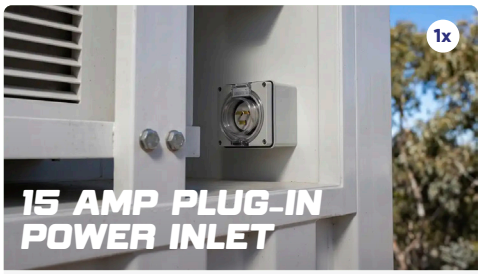

A Midea reverse cycle air conditioner heats and cools the office. It sits in a steel recess high on the rear wall, so it's protected in transit.

Cooling	3.9kW
Heating	3.5kW
Control	Remote and Wi-Fi

Water and waste lines from the sink run to one recessed point on the rear wall, where your plumber connects them on site.

Water In	PEX Supply Line
Waste Out	50mm PVC
Hot Water	Not Included

One external 15 amp inlet powers the whole office, so you can plug it into site power or a generator with a 15 amp lead.

Location	Rear wall recess
Rating	IP66 weatherproof
Certified	RCM, AS/NZS 3120 and 3112

ELECTRICAL FIT-OUT

- 4x **USB Double Power Points:** USB-A & USB-C
